

Simply.

TWO TAPERED WAVEGUIDES CREATE RICHER, MORE LIFELIKE SOUND. AVAILABLE ONLY FROM BOSE.

The technology behind the sound.

The key to the room-filling sound is our advanced dual tapered waveguide speaker technology. Available only from Bose, it allows this small system to reproduce deep low notes, giving instruments like bass guitars and drums a natural presence. As the *MetroWest Daily News* reports, the Wave® music system offers “a powerful yet simplified break from traditional sound systems.”

Risk-free, 30-day trial.

Hear the performance in your own home risk-free for 30 days. When you call, ask about making **12 easy payments**, with no interest charges from Bose.* Order the Wave® music system today. Better yet, order it together with the Multi-CD Changer and save \$100. See page 7 for details.

when you order the Wave® music system with the Multi-CD Changer by December 31, 2010. See page 7 for details.
