

CD changers – and save.

Order the Wave® music system with the Multi-CD Changer by **December 31, 2010**, and

SAVE \$100.

- _ Slide one CD into the Wave® music system's front slot, and up to three more into the changer.
- _ A multi-input audio source selector lets you connect two additional sources like your MP3 player and TV.
- _ Elegant, integrated design complements your Wave® music system.
- _ One slim remote controls the changer and Wave® music system, and a spare remote is included.
