

# SCHOOL ZONE

## Dyersburg Primary School

ALOHA from Mrs. Carol's prek class. The students had fun pretending they were at a luau. They were cooking out, eating, enjoying the sun, and having a good time with their friends.

Reading Recovery students at Dyersburg Primary School are "Wild about Reading". They celebrated their reading success by attending an animal show presented by Bob Tarter with Natural History Educational Company of the Midsouth. The program "Weird and Unusual Animals" exhibited animals that have unique adaptations to their environment that truly set them apart in the world. Students enjoyed seeing and learning about the Legless Glass Lizard, Hedgehogs, Silkie Chicken, and everyone's favorite, the Red Kangaroo.

## Christ Classical Academy

These first and fourth grade students at Christ Classical Academy recently donated personal hygiene items to the American Red Cross's relief efforts for local flood victims.

These sixth grade students at Christ Classical Academy held a fundraiser at the school to assist local flood victims. The students held a snow-cone fundraiser and raised over \$200 for the area relief efforts.
